MedPAC

Your Political Action Committee

MedPAC (Clark County Medical Society's Political Action Committee) needs members for our next two years. **Your** contribution is **essential** to the continued success in the legislature and in the courts. Pro-medicine candidates are asking MedPAC for support.

Medicine is undergoing many changes: Pay for Performance (P4P), value based purchasing, advanced practice RNs, nursing doctorates, the Patient Protection and Affordable Care Act (Obamacare), ICD-10, SGR-required physician payment cuts, EHRs, Accountable Care Organizations, medical homes, etc. The Nevada State Legislature considers 1100 to 1300 bills and bill draft requests each session. NSMA and CCMS follows almost 300 bills that are likely to affect your practice of medicine—new laws, such as balance billing prohibition, medical malpractice changes, scope of practice issues, health information exchanges, Medicaid rules and rates, insurance laws, medical board rules, prescribing practices, etc. The Nevada Supreme Court can decide if laws passed by the legislature or by voters' initiatives are constitutional, such as those involving **your** practice of medicine. District Court judges running for office preside over medical liability cases, and desire our support when they run for their seats.

What the Nevada State Legislature and the Nevada Supreme Court do can greatly affect your ability to continue to practice medicine successfully and provide good patient care.

You and **MedPAC** support candidates to elect those who share our vision of the future, especially of medicine, and to obtain access to those who might be influenced on an issue of our interest.

A few years ago, medicine had few friends on the Nevada Supreme Court. Then MedPAC became involved in Supreme Court races. Most of the recently elected Justices are now friendlier to medicine and voter passed initiatives.

Please join today. Take a seat at the table when we interview candidates. Help advise on candidate endorsements and contributions.

MedPAC can only be successful with your help. Running a campaign is an expensive business. Please make your contribution to MedPAC immediately as we **cannot** afford for these candidates to lose. You do not have to be a Medical Society member to join or contribute. **Please send your check NOW to MEDPAC, 2590 E. Russell Road, Las Vegas, NV, 89120**. And, please send us your email address so that we may keep you updated on campaign and Legislative events as they unfold. If you do not have an email address, send us the email address of a trusted person who can download and print out email messages for you.
