ADVOCATE FOR PHYSICIANS IN NEVADA

Legislative

- The Clark County Medical Society (CCMS) and the Nevada State Medical Association (NSMA) work with regulators and elected officials to evaluate the legal and regulatory landscape.
- The CCMS and NSMA develop the State Legislative and Regulatory Strategic Plan to ensure a collective voice on legislation that affects how physicians practice medicine.

Monitors Proposed Legislation

- The NSMA lobby team monitored 230 of the 1,114 bills and resolutions introduced in the 2013 Legislative Sessions.

Legislative Successes

- Protected physicians from cuts in Medicaid payments
- Defended voter-approved liability reforms
- Defined the role of Medical Assistants in the law as being under the supervision of a physician
- Secured Governor's veto of a measure that would have disallowed balance billing
- Negotiated improvement of patient protection laws

RESOURCE FOR CONTINUING EDUCATION

Continuing Medical Education

- NSMA accredits seven (7) organizations throughout the state to provide their own accredited continuing medical education activities.

Physicians and Practice Managers

- CME Programs include: current healthcare topics, including the Affordable Care Act and ethics (mandatory for Nevada License renewal)

Community Leaders

- CCMS Mini-Internship Program: non-physicians observe the practice of medicine
